### **OMAX 40-2500X Trinocular LED Compound Microscope+9MP Camera Windows/Mac OS/Linux**

The M837L series compound microscope is a class leader offering professional features at an affordable price. The trinocular viewing head is customizable and is equipped with a dedicated photo port which works simultaneously with both eyepieces. Precision mechanics provide optimal control over stage movements and focusing. The microscope is equipped with LED-based brightfield illumination, and supports optional accessories for various contrast-enhancing techniques such as darkfield and phase-con...
